Happiness is 4-H

Projects will be judged

By FRANK H. SWEET
Extension Agent

Last year's 4-H projects will be judged later this month. If 4-H'ers are still working on last year's project records, they should try to complete them and turn the projects in as soon as possible. The records will be returned to members in November.

The 4-H Teen Leader Club has voted to meet on the first Monday evening of each month at 7:00 p.m. All 4-H'ers who are 14 or older and interested in leadership opportunities are encouraged to participate. The Teen Leader Club is available to all teen 4-H'ers without regard to race, color, religion, sex, national origin or handicap.

A 4-H Officer Training Meeting for newly elected 4-H officers at Appomattox Elementary School will be held this Wednesday afternoon from 3:30 p.m. until 5:00 p.m. All new officers are encouraged to participate in this important training meeting. Several members of the 4-H Teen Leaders Club will be helping to conduct the training including: Martha Haley, Nancy Cole, Berri Anderson, Beth Marston, James Cash, Marvin Hamlett and Paul Humbles.

We have a continuing need for volunteer leaders to assist with organization of community clubs, special 4-H activities and programs and to serve as project skills leaders. Give us a call at the Appomattox Extension Office (352-8244) if you would be willing to assist.

Plans are well underway for the American Cancer Society's Bike-a-Thon on October 21. The registration will begin at 1:00 p.m., with the actual ride starting at 2:00 p.m. In case of rain, the Bike-a-Thon will be held on October 28. The ride will begin at the intersection of Roads 627 and 631. To reach this point, travel east on Highway 24, past the Appomattox Historical Park and turn right on Road 627. The intersection with 631 will be approximately six-tenths of a mile on 627.

Parents and adults are encouraged to ride as well as young people. Sponsor sheets are available at the Extension Office and in the libraries of AES, AMS and ACHS.

AMS PTA meets Oct. 6

The program for the evening will be "Back-To-School Night" for parents. Parents will have the opportunity to walk in their children's footsteps as they attend classes and meet with teachers.

All parents are invited to attend.

Teacher training program at AES

Professor Friedrich Matthaei and his wife, Barbara, visited Appomattox Elementary School on Thursday, Sept. 20. Professor Matthaei is the dean of the Psychology Department of Goethe University in Frankfurt, West Germany. His work is closely involved with teacher training.

Professor Matthaei presented a lesson to the students of Mrs. Gregory's fifth grade class. The lesson explained the German school system which is quite different from the American system. Later, he toured the school and observed the teachers.

The Matthaeis are relatives of Mrs. Anne Gregory and have been enjoying a visit in Appomattox. They are nearing the close of a tour of the United States.

Club presents "Our Town"

The Drama Club of A.C.H.S. will present Thornton Wilder's "Our Town" on Saturday, Oct. 6.

The Pulitzer Prize winning drama is one of the most popular plays in the modern American theatre. The play is set in a small town in New Hampshire at the turn of the twentieth century. Through the exploits of the town's inhabitants, the theme of the realization of life is charmingly presented.

The demanding role of the stage manager will be played by veteran A.C.H.S. performer, David Williams. Other leading roles will feature Renee Harris, Lynn Martin, Roger Guill, Kenny Richardson, Brian Hudson, and Kathy Bryan. Supporting roles in the large-cast show will be played by Daivd Wingfield, Amy Morris, Jeannice Bartelt, Roy Brennen, Beth Marston, Christy Tucker, Larry Harris, Gary Covington, Celeste Bartelt, Ginny Sweet, and Mike Knight.

Joyce Sweet, director of the show says, "The audience will probably be taken by surprise by the lack of scenery which is the style of "Our Town." Although my actors have had to adjust to the pantomining of props, they have captured the characters very well. "Our Town" is a show that I've wanted to do for a long time. It has humor as well as sadness, but with an important message for everyone."

Curtain is at 8:00 Saturday night. For ticket information call the high school. Support your local young performers.
